Historic Archaeological Component Form
Rev. 9/98
(page 1 of 1)

Use this form in conjunction with the *Management Data Form*. This form should be completed for each historical resource with archaeological potential.

Does this form pertain to the site in general? Yes X No _____

OR

a particular feature/structure (please note feature/structure number) _____

1. Resource Number: 5ST997 2. Temporary Resource Number: _____
3. Site/Feature Type: Parkville Cemetery
4. General Site/Feature Description: The town of Parkville was the product of an intense placer gold rush that began in 1860 and dissipated by around 1865. The population was large enough to justify a cemetery, located east of town. The site currently encompasses six graves, two possible graves, and a monument erected by the Masons in 1949, all located in a clearing in a forest. A collapsed log cabin, also within the site, lies north of the cemetery. The site retains integrity, setting, and feel, and is recommended eligible. For a detailed site history, description, and interpretation, see the report noted below.

5. Historic Component Date(s) and/or Sociopolitical Period: 1860-1865
Justification: According to archival information, Parkville existed between 1860 and 1865, then was abandoned.
6. Component Function(s): Cemetery.
Original Use: Cemetery
Present Use: Public Heritage Resource
Comments: _____
7. Ethnic affiliation of occupants: Unknown
Justification: Lack of ethnic indicators
